## SCAMP 2022

SCAMP 2022 has officially come to an end. While we are all sad that camp is over, thinking about all of the fun that was had brings smiles to our faces.

SCAMPers had a blast this summer going bowling, swimming, and getting ice cream. They went on field trips to check out the fish at Sea World, and to learn new skills at Clarkston Family Farm, and explore the 4H Fair. They played with service dogs, created art and music, and enjoyed carnival day and field day along with so much more!

We are already counting down the days until SCAMP 2023 begins!

# MICHIGAN ARTS & CULTURE COUNCIL GRANT

We are so excited to announce that Clarkston SCAMP was awarded one of the Michigan Council for Arts and Cultural Affairs (MCACA) grants for \$4,000. We used this money to fund Paint a Miracle at SCAMP this year.

Paint a Miracle is an organization that strives to build a supporting and encouraging community of artists that recognizes the important contribution artists with disabilities bring to the world. The grant will fund the art teachers, art supplies and the framing/completion of the artists' works.

## GRANT MONEY BUYS NEW EQUIPMENT

Based on grant money SCAMP received in 2022, the program was able to purchase more adaptive bikes as well as new instruments for our music program. Quality instruments were purchased at a reduced price from Cedar Crest Academy due to the school closing its doors.
